Beschreibung

CC Search searches in over 300 million images. It aggregates the results found in various public repositories into a single catalogue and facilitates reuse.

The screenshot displays the Creative Commons Search interface. At the top, there is a search bar with the text "lily of the valley" and a red "SEARCH" button. Below the search bar, there are several image thumbnails. On the left side, there is a filter panel titled "FILTER RESULTS BY" with a "Hide filters" link. The filter panel is divided into three sections: "Use", "License or Public Domain", and "Source".

- Use:** Two checkboxes are present: "Use commercially" and "Modify or adapt", both of which are currently unchecked.
- License or Public Domain:** A list of license options with checkboxes and icons. The "CC BY" license is selected (checked). Other options include CC0, Public Domain Mark, BY-SA, BY-NC, BY-ND, BY-NC-SA, and BY-NC-ND.
- Source:** Two checkboxes are present: "Animal Diversity Web" and "Biodiversity Heritage Library", both of which are currently unchecked.

The search results show a grid of images related to "lily of the valley". The first row contains three images: a necklace of pearls, a bouquet of lily of the valley flowers, and a close-up of lily of the valley flowers. The second row contains three images: a close-up of lily of the valley flowers with a white spider on a petal (captioned "White Spider On a Lily of the Valley"), a close-up of a lily of the valley flower, and a potted lily of the valley plant.

It is important to note that CC does not check whether images are properly [licensed under CC](#), so it is advisable to check the status of the licence before reusing content.
