Description

"The European Toolkit for Schools offers concrete ideas for improving collaboration within, between and beyond schools with a view to enabling all children and young people to succeed in school. School leaders, teachers, parents and other people involved in different aspects of school life can find helpful information, examples of measures and resource material to inspire their efforts in providing effective and high-quality early childhood and school education. The aim of the Toolkit is to support the exchange and experience among school practitioners and policy makers."
