Those who have a Microsoft account can use it to take notes and make audio recordings, which they can even share and edit together as a team – thus it is excellent for group work as well.

Users can have multiple notebooks in which they can create sections and tabs.

Excellent for group work.

It saves your work automatically at regular intervals.

It can also record audio or send video messages.

Vantaggi

- available on a wide range of devices (platform-independent)
- useful widgets available for Android, so you can even draw from the home screen
- continuous synching with your Microsoft account
- plug-ins can be added, e.g. Onetastic
- suitable for systematization
- notes are available from anywhere

Svantaggi

- the mobile application does not have as many features/functions as the desktop one

Utilizzo per l'insegnamento/apprendimento

- creating and sharing notes in group work
- (collaborative) content collecting
- mathematical operations can also be performed with the application
