Descrizione

CC Search searches in over 300 million images. It aggregates the results found in various public repositories into a single catalogue and facilitates reuse.

The screenshot displays the Creative Commons Search interface. At the top, there is a search bar with the text "lily of the valley" and a "SEARCH" button. Below the search bar, there are several image thumbnails. On the left side, there is a "FILTER RESULTS BY" section with a "Hide filters" link. This section is divided into three categories: "Use", "License or Public Domain", and "Source".

- Use:** Two checkboxes are visible: "Use commercially" and "Modify or adapt", both of which are currently unchecked.
- License or Public Domain:** A list of license options with checkboxes and icons. The "CC BY" license is selected with a blue checkmark. Other options include CC0, Public Domain Mark, BY-SA, BY-NC, BY-ND, BY-NC-SA, and BY-NC-ND.
- Source:** Two checkboxes are visible: "Animal Diversity Web" and "Biodiversity Heritage Library", both of which are currently unchecked.

The search results show a grid of images related to "lily of the valley". The top row includes a necklace with pearls and a small bottle, a bouquet of lily of the valley flowers, and a close-up of a lily of the valley flower. The bottom row includes a close-up of a lily of the valley flower with a white spider on it (captioned "White Spider On a Lily of the Valley"), another close-up of a lily of the valley flower, and a lily of the valley flower in a pot.

It is important to note that CC does not check whether images are properly [licensed under CC](#), so it is advisable to check the status of the licence before reusing content.
