## Description

We can initiate or receive voice as well as video calls with Skype. It is good for an online meeting as it offers the following functions:

- messaging
- sharing files
- sharing the screen.

Skype calls can be recorded.

## Advantages

- free
- simple to install and use

## Disadvantages

- there are only a limited number of functions that we can use in online teaching (there are no stats, assignments cannot be submitted, etc.)

Usage in teaching/learning

- can be used in online teaching to keep contact, to discuss certain topics
