The screenshot displays the Creative Commons Search interface. At the top, there is a search bar containing the text "lily of the valley" and a red "SEARCH" button. Below the search bar, there are several image thumbnails. The first row shows three images: a necklace of pearls, a bouquet of lily of the valley flowers, and a close-up of lily of the valley flowers. The second row shows three more images: a close-up of lily of the valley flowers with a white spider on a leaf (captioned "White Spider On a Lily of the Valley"), another close-up of lily of the valley flowers, and a potted lily of the valley plant. On the left side of the interface, there is a "FILTER RESULTS BY" section with a "Hide filters" link. Under "Use", there are two checkboxes: "Use commercially" and "Modify or adapt". Under "License or Public Domain", there are several options with icons: "CC0", "Public Domain Mark", "BY" (checked), "BY-SA", "BY-NC", "BY-ND", "BY-NC-SA", and "BY-NC-ND". Under "Source", there are two checkboxes: "Animal Diversity Web" and "Biodiversity Heritage Library".
