Opis

CC Search išče med več kot 300. milijoni slik. Rezultate, najdene v različnih javnih repozitorijih, združuje v en sam katalog in olajša ponovno uporabo.

The screenshot displays the Creative Commons Search interface. At the top, there is a search bar with the text 'lily of the valley' and a 'SEARCH' button. Below the search bar, there are several image thumbnails. On the left side, there is a 'FILTER RESULTS BY' section with a 'Hide filters' link. This section is divided into three categories: 'Use', 'License or Public Domain', and 'Source'. Under 'Use', there are two options: 'Use commercially' and 'Modify or adapt', both with unchecked checkboxes. Under 'License or Public Domain', there are eight options with checkboxes: 'CC0', 'Public Domain Mark', 'BY' (checked), 'BY-SA', 'BY-NC', 'BY-ND', 'BY-NC-SA', and 'BY-NC-ND'. Each option has a question mark icon to its right. Under 'Source', there are two options: 'Animal Diversity Web' and 'Biodiversity Heritage Library', both with unchecked checkboxes. The search results show a grid of images: a necklace of pearls, a bouquet of lily of the valley flowers, a close-up of lily of the valley flowers, a white spider on a lily of the valley flower, and a potted lily of the valley plant.

Pomembno je omeniti, da CC ne preverja, ali so slike ustrezno licencirane pod CC, zato je priporočljivo, da pred ponovno uporabo vsebine preverite stanje licence.
